Particular Notice to Judges.

Judges are requested to be prompt at the place of meeting, and to make themselves acquainted with their associates without any hesitation. They should make themselves familiar with the details of the Arrangements and List of Premiums, and each member shall have a copy of the same in hand during the exhibition, for reference. They should render all the aid in their power in diffusing information and inciting competition, as the success of the exhibition depends in a great measure on the manner in which they discharge their duties.

The Judges may fill a vacancy occurring in their number, and members may act if the number cannot be conveniently filled.

No claimant for a premium can act as judge upon the subject for which he makes his claim.

The Chairman of every board of Judges is expected and particularly requested by the officers and rules of the Society, to make a full report in writing of whatever comes under the notice of the board on which he serves and send the same to the Secretary of the Society as soon after the exhibition as possible, but certainly within thirty days, so that the same may be printed in the Transactions without too much delay. Reports of all classes on exhibition are very much desired, and it is hoped that this year the Judges will see that this important suggestion is attended to.
